

International Symposium on Management Engineering

Excellent Paper Award

is presented to

Vladik Kreinovich, Joe Lorkowski,

Olga Kosheleva, Seígei Soloviev,

**How Design Quality Improves with Increasing Computational Abilities:
General Formulas and Case Study of Aircraft Fuel Efficiency**

at the 11th International Symposium on Management Engineering

July 27-30, 2014

Kitakyushu International Conference Center

Kitakyushu, Japan

International Society of
Management Engineers

和田淳三

Junzo Watada, Professor
Chair of ISME 2014
